Our Login Screens Have a New Design

As part of an update to our website (www.ldb.ca), we are launching new login screen designs. Everything will work the same as before, but the login screens have a cleaner interface. The changes you'll see depend on which pages you've been using to login to your chosen LDD application.

If you login **directly** to your chosen application (e.g. www.lawyerdoneal.com/rplus/login.asp)

Old Design

The screenshot shows the old LDD website design. At the top, there is a navigation bar with links for "Legal Professionals Login" and "Connexion (Québec seulement)". Below this is a banner for "CELEBRATE CANADIAN ARCHITECTURE". A login section prompts users to "Please login then select your product below" and includes fields for "Account", "User Name", and "Password", with a "Login" button. Below the login section are two buttons: "Click here for OREA® Forms" and "Click here to retrieve shared, new home and mortgage documents". At the bottom, there are three columns of links: "Administrative" (Advanced User Access Information), "RealtiWeb®" (Alberta, British Columbia, Manitoba, Nova Scotia, Ontario, Saskatchewan), and "RealtiBuilderSales™" (Ontario, Condominium Subdivision, British Columbia, Condominium). There are also links for "Title Insurance" (TitlePLUS® Title Insurance*) and "WillPowerWeb®" (CorporateTracker®).
