LDD in Western Canada

From her home in scenic Lake Isle, Alberta—situated about 80 km west of the city of Edmonton—Brenda Hodgson travels throughout Western Canada as our LDD Customer Service Representative in the West.

In the legal field since 1985, she spent years working as a real estate clerk for lawyers in the Edmonton area. Brenda reports that in 1991, she attended a user seminar for the desktop Cakesoft™ program, the predecessor of our RealtiOnlineWeb® and started using it immediately.

She continued to work as a real estate clerk until she became our representative in November 2005. “It has been a very challenging and exciting career change for me, and I love it,” says Brenda.

A true service professional, she provides our clients in Western Canada with information about RealtiOnlineWeb, initial and advanced training; and she assists with document customization and the set up of templates and document packages. “My background in conveyancing has been a great asset in

For the past two years, Brenda Hodgson has been our LDD representative in Western Canada.

assisting our Alberta clients with their transition over to RealtiOnlineWeb,” reports Brenda.

In addition to working for LDD, Brenda has been a guest instructor at Grant MacEwan College for more than 10 years, where she teaches students how to use RealtiOnlineWeb. “I enjoy the enthusiasm of the students, and I can’t wait to go back in March,” says Brenda.

Born and raised in Edmonton, Brenda moved to Lake Isle in 1996. In her spare time, she enjoys organizing theme parties, murder mysteries and scavenger hunts to raise money for charities in her local community.

Wonderful Web Wills

LDD’s WillPowerWeb® enables you to create and customize Wills, Powers of Attorneys and other related documents. You simply enter data once into our easy-to-use Wills template. Since LDD is the leader in Web-based solutions, WillPowerWeb requires no software installation on your computer. Our transaction-based pricing means that you only pay for the services you use. There are no license fees or other support costs. Stay tuned for more details. If you want more information, please call 1-800-363-2253, Ext 228.
